

Call for papers
for Special Issue 2/2020
of
European Journal for Philosophy of Religion
on the theme
“How Discernment between Good and Evil Shapes the Dynamics of the Human Journey”

Special Issue editors are
Prof. Ivana Noble and Dr. Ondřej Fischer
(Charles University, Prague).

The final submission date is October 15th 2019. Texts should be sent to Dr. Ondřej Fischer (fischer@jabok.cz).

Papers are invited on the topic of discernment between good and evil in the growth towards human maturity. Submissions are sought from across the humanities that, through the study of particular authors or contexts, engage with how questions of discernment, variously understood, guide people on the way towards fullness.

All necessary information about the style of the submissions, which should not exceed 5,000 - 7,000 words in length, can be found in the For Authors section at <https://philosophy-of-religion.eu/>.
